

合法實施性別確認手術之聲明

臺灣跨性別醫學學會

2024 年 11 月 24 日

臺灣跨性別醫學學會在此聲明，本學會的醫師一律依照臺灣現行法規[1, 2]合法進行性別確認手術。接受手術之患者皆符合年齡限制的標準，亦接受過精神科及家庭關係上的多方面評估。

名詞解釋

1. 性別確認手術：又稱性別肯定手術、性別重置手術或變性手術。指移除有性別不安問題當事者的生殖器官，並可能重建其希望的性別之性器官外貌之手術。目的在於幫助消除性別不安問題，以及幫助當事者適應並融入社會中自己所希望的性別角色。

Declaration on the Legal Implementation of Gender Confirmation Surgery

Taiwan Association Transgender Medicine

November 24, 2024

Taiwan Association Transgender Medicine hereby declares that all surgeries performed by the Association's physicians strictly adhere to current Taiwanese regulations [1, 2]. Patients undergoing surgery meet the age requirement standards and have undergone comprehensive psychiatric and familial relationship evaluations.

Terminology Explanation

1. **Gender Confirmation Surgery:** Also known as gender-affirming surgery, or sex reassignment surgery. This refers to surgical procedures aimed at removing the reproductive organs of individuals experiencing gender dysphoria, and potentially reconstructing the appearance of the desired sex's genitalia. The purpose of such surgeries is to alleviate gender dysphoria and to support individuals in adapting to and integrating into the gender roles they identify with in society.
